Circular No: MRAMP/091/2022

URGENT NOTICE

Dear Parents,

Greetings of the Day!

As the mornings are getting colder therefore you are advised to send your wards in full sleeved shirts. If there is need to wear woollens, send them in proper school winter uniform. Refrain from sending your wards in colorful jackets & sweaters. You are also advised to keep your child at home, if he/she is suffering from flu or fever. Proper rest will make them recover fast. Health is of utmost importance. Ensure that your child has proper breakfast before coming to school.
